In Kiev, the police detained the judge of Solomensky violated the rules of the road and staged a showdo gains public attention, because at first, everyone th

Solomensky court of Victoria Kitsyuk was a victim of arrogant, aggressive po network there was video to prove otherwise.

About this on his page in Facebook wrote the head of the Department of the Zhukov, known as signal Marshal.

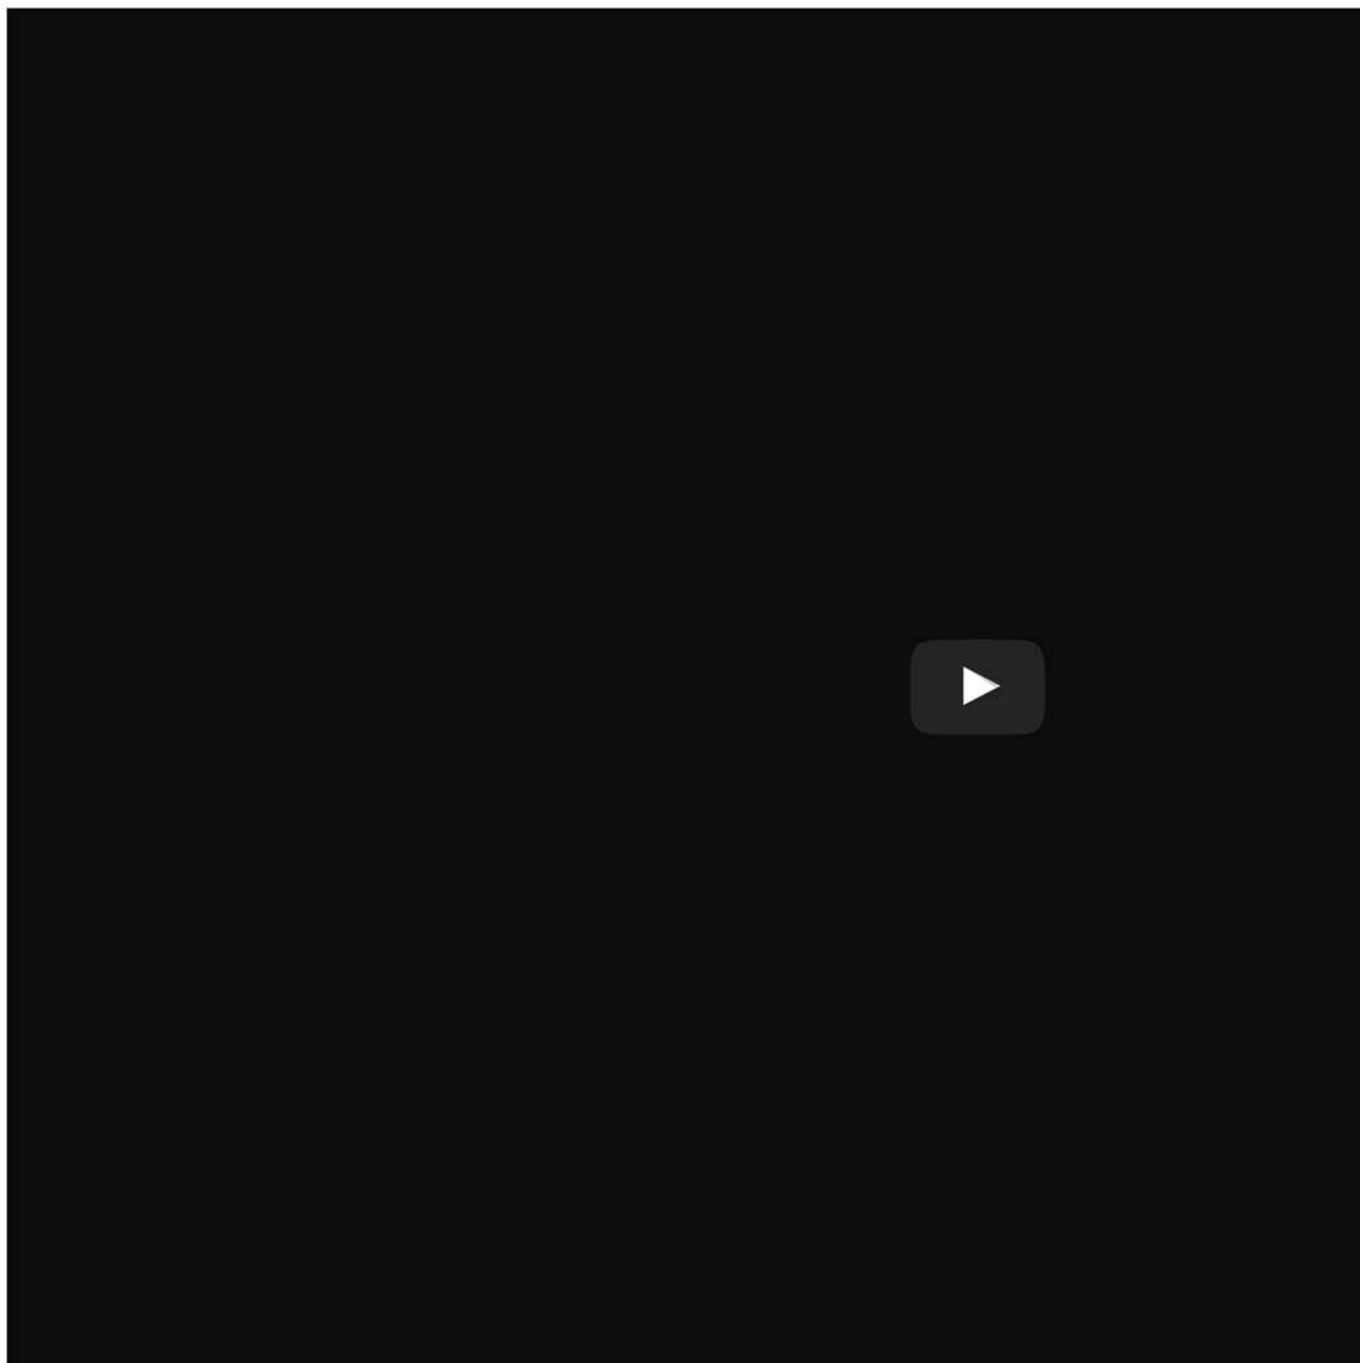

He said that the car with the judge stopped in the middle of the narrow stre traffic in both directions. Among the cars caught in traffic was the patrol pol asked just pit the car.

“At the same time joined the “fool” – I’m not me, not my car, I’m not a driver come, etc. All this was accompanied by calls to the Prosecutor General. In fa the Office of the patrol police: “What, but how!?” – he wrote.

The patrol then asked the judge to produce documents. She refused and po “Holy Victoria” was arrested. Came drunk “friend” and far from him the stra;

judge). Well, there is video there is: "Rogue, you for 8 thousand mother to sc
caste of judges on patrol the police," – said Zhukov.

"I'm even afraid to imagine what would be their judge this gorgeous lady so
Hard, but I'm not going to put guys under pressure. Really like would be tha
President. Such "law-abiding" the judges much reach! But you pit the car an
said the head of the Department of the interior Ministry patrol.

In turn, the judge denies his guilt and accuses the police of incompetence.

“So what is the offence which in the opinion of the men in black was the plea verbal warning? Without drawing up a single document in challenging the al not special funds,” she wrote.

The judge noted that the blood test will be on Friday 24 February and demand version of the DVR can police, without cuts.
